

25/26 - Rebooker Best Price Guarantee

- The Best Price Guarantee is exclusively available to current residents of Almero Student properties. To qualify, residents must currently live in the property they wish to rebook and must book their accommodation for the 2025/26 academic year between 13 November 2024 and 01 January 2025.
- Almero Student guarantees that the rate offered to eligible residents for the 2025/26 academic year will be the lowest rate available for the same accommodation type and contract length.
- Almero Student guarantees that once a resident has booked under this promotion, if a cheaper rate is made available for the same room type and contract length in the same building on the Almero Student website, then Almero Student will match the rate or offer in the form of a credit on your account for the price difference.
- It is the responsibility of the resident to inform Almero Student of the cheaper rate. Failure to do so may forfeit any potential price adjustment or refund opportunity.
- Almero Student reserves the right to extend, shorten, or amend the promotion at its discretion without prior notice. However, the Best Price Guarantee will remain applicable for any bookings made during this period.
- The Best Price Guarantee applies to participating properties for the 2025/26 academic year. Residents are advised to check for room availability early.
- A booking is only confirmed once full booking details are completed, all signatories - tenant, guarantor (if applicable) and landlord have been completed on your 25/26 tenancy agreement within 7 days of making the initial booking. Room availability is on a first-come, first-served basis.
- The Best Price Guarantee is non-transferable and can only be used by the eligible resident who is currently residing in an Almero Student property.
- If a resident cancels or amends their booking for the 2025/26 academic year, they will forfeit their entitlement to the Best Price Guarantee. Cancellations and refunds will be governed by Almero Student's cancellation policy.
- This offer cannot be combined with any other promotions, discounts or offers.
